

# INVITATION

## Firewise Old Oak Way Neighborhood Meeting

Defensible Space Educational Event

**Dry lightning can strike anywhere. Fire is a danger to our entire neighborhood. *We must prepare as a community.***

Please join this Firewise Neighborhood outdoor meeting

Vineyard Point

13336 Old Oak Way

Wednesday, October 14, 2020

5:00 mingling with wine and cheese (Covid safe)

5:30 Hour-long interactive workshop on Defensible Space  
presented by Eugenia Rendler of SCC FireSafe Council.

We will review actions designed to protect our homes from  
wildfires

Firewise Old Oak Way has filed as a recognized Firewise USA  
program and provides a framework for neighbors to work  
together to increase our protection from wildfire.
