

## **October 7, 2022 Block Party Minutes**

The Old Oak Way Firewise second annual Neighborhood Party was held at the home of Devyani Kamdar and Dave House on October 7, 2022. The party started at 5 pm as neighbors gathered around the pool patio. Name tags were provided to encourage the connection with new neighbors. Everyone enjoyed cheese plates, wine and pizza - which was prepared in a wood fired oven. Posters featuring Defendable Space, Hazard Inspection Zone (HIZ) scheduling, "What is Firewise" and a map showing our Firewise Community were displayed on easels. Neighborhood Watch pamphlets were available to all attendees. This was purely a fun event that helped neighbors to know each other and to promote Firewise cooperation. A good time was had by all.
